## **ACKNOWLEDGEMENT OF DONATIONS RECEIVED**

The Board of the Gelvan Park Frail Aged Home wishes to extend their heartfelt and abundant thanks for your kind and generous donations (too much to mention it all) made to the home recently, as well as paying the transport for the transportation of the goods donated. Your contribution will go a long way to assist us in providing more effective, efficient and comfortable care services to our older, frail residents.

We are truly grateful for your support.

Kind regards
